CIRCULAR NO. 37, Series of 2009

To: Chief Commissioners
International Commissioners
Chief Scout Executives

04 December 2009

Functions of International Commissioner

Dear Colleagues:

Greetings from Manila!

Some NSOs have recently viewed the functions of International Commissioner differently. But over the years, the functions of International Commissioner have not changed much.

You will also notice that since the 1957 World Scout Conference, the tradition of having an International Commissioner became more firmly established and each NSO was requested to appoint an International Commissioner. Today, the job may not be identical in all NSOs but vary from country to country. At the same time, there are certain functions and tasks that are similar to their colleagues and they must be included so that there is some consistency among all NSOs in the establishment of this important function in their organization.

Please find attached revised information issued by Geneva for all regions on what could be the role of International Commissioners today. It will be much appreciated if all NSOs could review the attached document and align the functions of this important role in the organization with very clear job description for this position.

With best regards,

Abdullah Rasheed
Regional Director
